Electric fireplace

TORONTO P

Product code: 935046000

EAN Code: 8414234350466

Main selling point:

Turn your house into a cosy home with Toronto, the elegant electric fireplace with flame effect and curved screen. Hang it on the wall, personalize it with the display and enjoy the warmth of a fireplace with no building work.

Main selling points developed:

- 2 heat settings to suit all temperatures.
- 5 flame settings to create different moods in your home.
- Personalize your fireplace by combining it two finishes: coal and stones. Completely change the look of your fireplace quickly.
- Totally safe to use. Hot air comes out through the top and does not heat the glass.
